HUZAIFA ALAHMAD

Creative Marketing | Visual Design, Video Production & AI Workflows

Dubai, UAE | +971 56 395 1817 | huzaifaalahmad23@gmail.com

Portfolio | LinkedIn | Behance | GitHub

PROFESSIONAL PROFILE

Information Engineering graduate combining graphic design, visual identity, social media management and video production with integrated AI workflows. Works from research and monthly content planning through design, product photography, filming, generation, editing and daily publishing. At Green Signal, manages a team with formal responsibility for performance evaluation, produces campaign content and contributes to audience and budget decisions. Also works in remote freelance design and develops personal websites and software projects with AI assistance.

CORE PRACTICE

Brand identity and campaign design | Social media planning and publishing | Product photography and filming | Short-form video | Catalogues and print production | Website visuals | AI content systems | AI-assisted web development

PROFESSIONAL EXPERIENCE

Green Signal | Creative Marketing Specialist

Full-time, on-site · UAE | 22 June 2026 - Present

- Plan and execute monthly content calendars with a planned cadence of approximately 15 short-form videos and 15 carousels, alongside promotional campaigns.
- Manage daily publishing across Meta, TikTok and Snapchat, adapting assets and formats to each channel.
- Develop visual concepts and produce campaign graphics, product photography, catalogues and website visuals.
- Film and edit original footage; direct AI-generated scenes and combine them with editing for finished marketing videos.
- Build an integrated production workflow using ChatGPT, Gemini, Google Flow, NotebookLM and other generation tools alongside Adobe and video software.
- Create advertising campaigns and contribute to audience selection and budget discussions.
- Coordinate branding quotations, external suppliers and model sourcing for planned shoots.
- Manage a team with formal responsibility for employee performance evaluation.

Great Maters | Freelance Graphic Designer

Remote · Germany | July 2025 - Present

- Design strategic social media content aligned with brand positioning and marketing objectives.
- Develop advertising creatives for conversion-focused campaigns.
- Maintain a consistent visual identity across digital channels and campaign assets.
- Collaborate remotely with marketing teams to deliver campaign-ready materials within agreed timelines.
- Adapt layouts for Instagram, YouTube and digital promotional channels.
- Use AI-assisted design workflows to support creative iteration and production.

PROFESSIONAL EXPERIENCE / CONTINUED

Illustrate Marketing | Graphic Designer

Dubai · On-site | June 2024 - January 2025

- Designed social media campaign content for clients across multiple UAE industries.
- Produced digital advertising creatives, branding assets and print-ready materials.
- Developed structured layouts using typography, colour palettes and visual hierarchy.
- Prepared client-ready campaign presentations to agency standards and delivery timelines.
- Adapted creative assets to the specifications of different social and advertising platforms.

Encyclopedia - Engineering & Business Management Consultancy | Graphic Designer & Social Media Manager

Freelance · Remote · Norway | October 2023 - August 2024

- Developed YouTube channel branding, including thumbnails, banners and visual content systems.
- Created advertising assets supporting audience-growth and content-visibility strategies.
- Maintained visual consistency across channel branding and multimedia publishing.
- Prepared layouts for motion graphics adaptation and video branding.
- Applied platform-specific visual storytelling and content positioning.

RisingStation | Freelance Graphic Designer

Remote · Saudi Arabia | January 2023 - October 2023

- Produced social media designs aligned with brand communication and campaign goals.
- Developed visual identity components for digital marketing campaigns.
- Created promotional materials for online advertising and brand-awareness activity.
- Prepared print-ready marketing collateral and structured layouts.
- Delivered creative work against organised production timelines.

TOOLS & TECHNICAL FOUNDATION
